# Why would I need SMART Care cover?

Picking up the keys to your new car and driving it off for the first time is one of the best feelings in the world – a feeling you want to prolong for as long as possible.

Then, the worst thing happens... You suffer a little niggly, bump or scrape in your brand new car and need to take it to a body shop, or contact your motor insurance provider to arrange repairs.

Both of which are fine, but they're inconvenient, expensive and slow, and the new car bubble has been well-and-truly burst.

In comes SMART Care. The security that you and your car needs to keep it feeling new for longer.

Avoid Damage Recharges at the end of the vehicle's contract. Peace of mind in knowing the vehicle can go back free from chargeable damage.

# What does SMART Care cover do?

Keeping that 'new car' smell, immaculate paint work and pristine alloys become the most important things when you drive it away. While, SMART Care can't prolong the amazing smell, it is the Small and Medium Area Repair Technique that you need in your new car-loving life.

Using the latest paint technology, alloy wheel refurbishment and paintless dent removal processes SMART Care cover gives you the assurance that your car is looked after and you can get silly jobs fixed, without compromising your insurance and no claims bonus.

Especially useful to avoid damage recharges when you return your vehicle to the lease company at the end of its contract.

# SMART Care cover FAQs:

## Who is covered?

We cover the vehicle, not the driver. So everyone.

## How do I make a claim?

You can easily claim through our simple process:

1. Call our support team on 0114 321 9883 within 30 days of the damage.
2. Have your registration number handy.
3. And follow the instructions to proceed with the claim.

## Is there a policy excess?

Yes. It's £10 for every claim.

## What about my no claims bonus on my insurance?

Don't worry, claiming through SMART Care does not affect your motor insurance no-claims.

## Are diamond cut alloy wheels covered?

They sure are. Some designs and finishes may need to be sent to a specialist repairer, but we've got you and your alloys covered.

## How many SMART claims can I make?

You can make up to 5 claims within your 1-year cover. So, for 2-year cover, you can make 10 claims and with 3-year cover, you can make 15 claims.
